## Rules for Graves at Eckington Cemetery

To be issued to customers

**Please enjoy our cemetery and follow these simple rules**

**These rules are to maintain a peaceful atmosphere in the cemetery and to allow the cemetery team to maintain it properly.**

No dogs in the cemetery.

Respect other cemetery users by not making unnecessary noise and by driving carefully.

On the day of a funeral, flowers and wreaths may be placed on the plot but they should be removed after seven days.

Any memorials, monuments, stones, tablets or vases placed on plots should be approved by the Cemetery Superintendent.

Eckington Parish Council reserves the right to remove any items from plots that may be offensive or inappropriate.

If a plot is untidy or uncared for, or where it is difficult to mow between graves, Eckington Parish Council reserves the right to grass over a plot and to remove any items left there.

No trees or shrubs may be planted on the plots. This is to prevent damage by the roots.

No kerbstones or surrounds on plots.

Any memorials, monuments, stones, tablets or vases placed on plots are at the owner's risk and Eckington Parish Council is not liable for any loss, damage or breakage.
