

## Resident correspondence at Renishaw

I would like to bring to the council's attention that over many weeks now a group/gang of youths as many as 10 or 12 at times are congregating at the top of the passage way between Renishaw Main Road and Circular Drive.

They are causing a nuisance littering the passage way, riding up and down on motorbikes. If you are waking up or down the passage to the bus stop the is extremely intimidating specially as the nights are drawing in.

I would like the council to debate this issue and think about how this can be monitored and possibly stopped.

I do understand that nobody can be there all the time and finances are extremely tight.
