The Cemetery has had 1 very busy week with burials. The staff are now on their winter hours of 20 per week.

### **Equipment**

No further repairs since last month

### **Request for Bench**

I have received a request from a family who would like a bench to be installed where the current new graves are being dug as there are no benches in this area. I would suggest that the Council do look at now installing some benches at either side of the new section for families to use as there are none along the hedgerow near the main road.
