

COUNCILLOR BRIEFING

**FROM DERBYSHIRE POLICE AND CRIME COMMISSIONER
ANGELIQUE FOSTER**

Date: 1st June 2022

Subject: Derbyshire Anti-Social Behaviour Prevention Grant Round 2 now open for applications

Following the successful launch and delivery of my Anti-Social Behaviour Prevention Grant in September 2021, I am pleased to inform you that a second round of funding has been made available worth £100,000. Through this Grant, I will invest the £100,000 into projects that take positive action against anti-social behaviour. These could include sports and creative arts diversionary programmes, radio/film-making activities, drop-ins for young people, CCTV, community clean-ups, intergenerational schemes, mentoring projects, education initiatives and parental support programmes.

I am particularly keen to hear from Councils and organisations who wish to offer some diversionary activity programmes over the summer holiday period. To facilitate this, there are 2 deadlines for applications:

The first deadline is 1st June to 30th June 2022.

The second is 1st July to 30th September.

The purpose of the 2 deadlines is to offer the opportunity to bid into this grant to as many applicants as possible and to fund a broad range of projects aiming to tackle anti-social behaviour in Derbyshire's communities. Those Councils or organisations that wish to deliver programmes over the summer holiday should submit applications by the 30th June. It is my aim to have made decisions on submitted applications within a week of the closing dates.

Grants of up to £5000 will be allocated to successful applicants who can show evidence of how they will make a difference to Derby and Derbyshire's communities. I want to make sure we are not only tackling serious and organised crime but those issues that cause despair to local people every day. I want our communities to feel supported – wherever they live in the county – and I am determined to listen and act on their needs.
