### **Bookings**

The Centre has once again had an excellent month with every weekend being hired out for functions. Most bookings have been bar and room hire only.

### **Events**

Charity Soul night was the biggest night the Civic Centre has ever seen. We had 230 pre-sold tickets raising £1660.50 for Western Park Cancer Charity. The bar had record sales with no complaints about wait times. The staff did a phenomenal job at keeping on top of sales all night.

New events added have seen ticket sales fly out already. ELO tribute night in October has sold over 50% of the tickets and the afternoon with Elvis is also proving popular.

We are holding a children's coronation party on Saturday 6<sup>th</sup> May, children will enjoy entertainment from Barmy Bella, we have crowns to colour, a Royal teddy bears picnic which will have food provided and we are holding a fancy dress competition to crown our very own Royal court.

### **Other information**

I'm currently in talks with Renishaw Golf Club to outsource our catering services for their functions at the club, which if successful, will be a massive step forward for the Centre.

As always, posters and flyers are available for all Councillors to take out to the Community where possible. Events are also on the Civic Centre Facebook page for sharing on social media, please do check with the office about details of events before you post anything.
