Dear Sir/Madam/Councillor

**The Derbyshire County Council - Road Traffic Regulation Act 1984
(Rotherside Road, Eckington & Forge Lane, Killamarsh)
(Waiting Restrictions) Order 2022**

Derbyshire County Council has been informed of obstructive vehicle parking taking place on Rotherside Road in Eckington. This parking is affecting the movement of delivery vehicles accessing company premises.

We are therefore proposing the installation of some waiting restrictions on Rotherside Road, the layout of which can be viewed on the enclosed plan.

I should be pleased to receive any initial comments you may have regarding the proposals by Friday 17 June 2022.

Subject to the feedback, you will then receive a further consultation package that will include any necessary amendments to the proposals with a copy of the statutory public notice, a period of time which will allow for any formal comments to be received during the 21 days of its publicised advertisement.

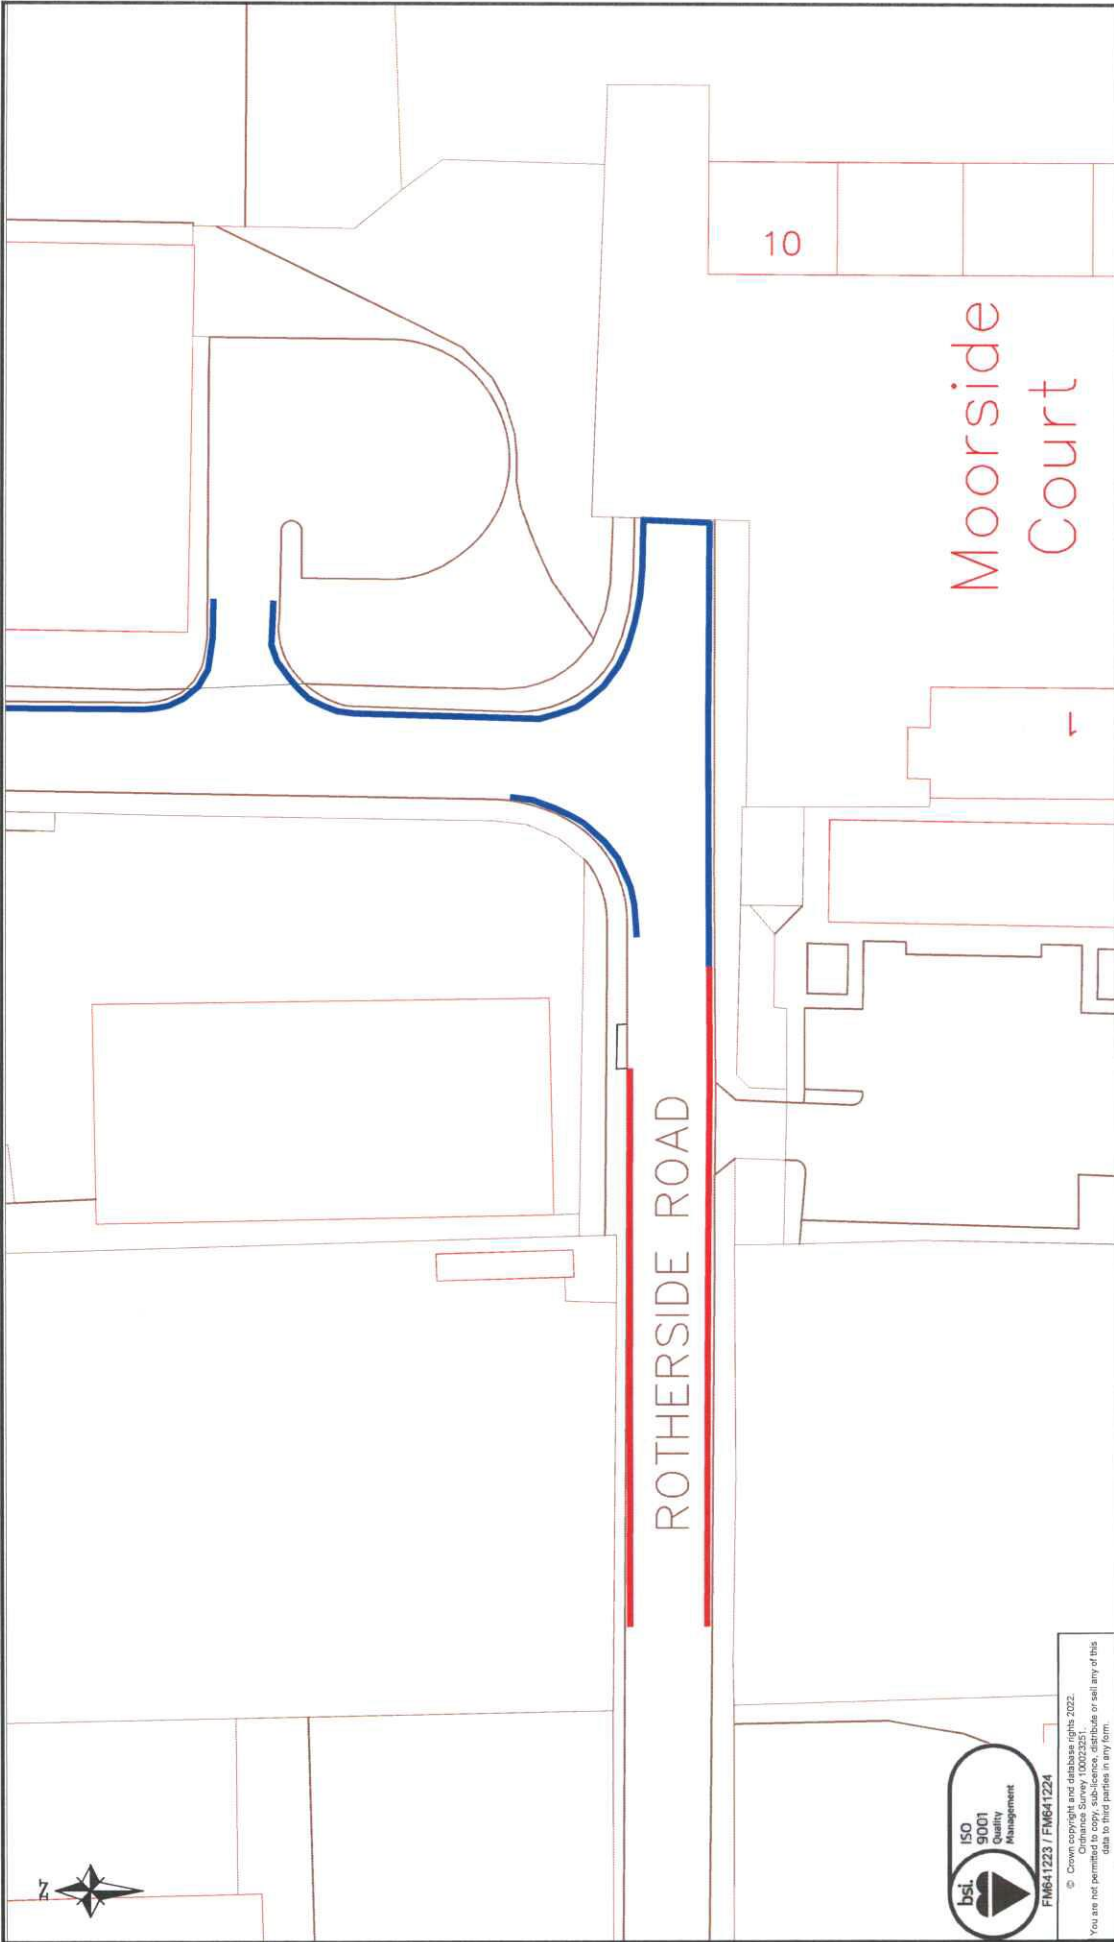

I look forward to hearing from you.

Yours faithfully

Alison Pilkington
