Hi Victoria,

These are my notes from the meeting on Tuesday thank you for attending and discussing this with myself and the Councillors who attended it is appreciated.

Many Thanks

Emma

Meeting held on Tuesday 23 November with NEDDC Officer Victoria Vernon.

There needs to be a staged plan for works suggestion is:

Stage 1 – Signs to be removed from the lower end of the precinct – Victoria Vernon will speak to DCC about this.

Stage 2 – Place barriers at either end of the precinct preferably ones that can be removed – Victoria Vernon suggested telescopic ones would be better with the planters still in place rather than gate access.

Stage 3 – NEDDC will replace dustbins and increase quantity and capacity.

Stage 4 – Look at the overall scheme

Cllr Wheelhouse suggested a tree hanging basket rather than ground planters which will leave more space for possible market stalls – NEDDC to look into this.

NEDDC are looking into CCTV for the precinct.

The types of businesses on the precinct was queried by Councillors regarding are there any limits on certain types of businesses in one area – NEDDC will speak to the business development department and feedback information.

NEDDC are looking into bollards as people are parking on pavement areas close to the precinct outside Fancy Dress Shop.

s106 money what has this been spent on from the 2 PH developments in the area – NEDDC to look into.

Victoria Vernon agreed an additional bollard would be placed near the closed PH at the bottom end of the precinct.

I have asked Victoria Vernon to provide the Council with an update prior to the next FC meeting.

Many Thanks

Emma
