Subject: [OFFICIAL (SENSITIVE)] Let's Create Jubilee Fund

Dear All

I hope you're well.

The Arts Council England (ACE) has announced the establishment of its Let's Create Jubilee Fund for creative events to take place to celebrate the Queen's Platinum Jubilee in June 2022.

This may be of interest to community groups operating in your Parishes, as they can apply for between £750 and £10,000 to produce events that highlight their ideas and creativity. Successful applicants will be expected to show how they will work collaboratively with artists and cultural organisations to deliver their aspirations. More information can be found at:
<https://www.artscouncil.org.uk/our-open-funds/let%E2%80%99s-create-jubilee-fund> .

The UK Community Foundation will administer the fund on ACE's behalf and will provide more information and guidance in early December prior to their application portal opening in January 2022.

NEDDC will continue to promote this opportunity but please feel free to circulate the web-link to any contacts who you think may be interested.

Regards

Steve

Cllr Renwick

In addition I also have a £1500 budget from DCC to go towards specific projects to support celebrations for the Queens Platinum Jubilee. This fund will be shared across the Eckington, Killamarsh & Coal Aston parishes (Cllr Foster will also have £1500 for all three areas too). Applications will be accepted from 1st April next year.
