Bookings

The Centre had 2 private bookings in April and the rest of the Saturdays were taken up with our events.

Events

Motown night on 1st April was again very well attended and very busy for the bar.

Gary Peters Medium night was extremely well attended and had great bar takings, Gary has booked a second night in October.

90% of the events have sold tickets, this includes the Christmas season which is excellent. I will be starting the 2024 events calendar in the next month with cover bands being my main focus for adult events next year such as Abba, The Eagles, Queen, ELO, etc. But will still feature the popular kids themed disco events.

Other information

The toilet refurb is under way, with all items on order

I'm struggling to obtain a 3rd quote for decorating and I'm conscious that we have weddings coming in during the summer and the Civic is not wedding ready.

Looking to the future and the events we're heading towards; I do feel the accessible toilet needs moving to the foyer with the other toilets so that the bar can be extended, and a storage area can then be created by building out into the Bluebell room and knocking through into the current disabled toilet. I have asked the commercial plumber who is doing the current toilet works to supply a quote for moving the accessible toilet.

As always, posters and flyers are available for all Councillors to take out to the Community where possible. Events are also on the Civic Centre Facebook page for sharing on social media, please do check with the office about details of events before you post anything.
