### **Bookings**

The Centre had a hugely successful Christmas season, we have had nothing but praise from coach parties, private diners, and parties. 2023 is looking to be an excellent year for bookings. The staff really pulled together to make sure everything ran smoothly, even in the head cooks absence. I would personally like to thank my team for an excellent season.

### **Events**

Wreath making, Breakfast with Santa and our NYE party were all big hits, all guests have said that they will be retuning for further events.

Future events: Please see attached calendar of events so far for 2023

### **Other information**

As always, posters and flyers are available for all Councillors to take out to the Community where possible. Events are also on the Civic Centre Facebook page for sharing on social media, please do check with the office about details of events before you post anything.

The Civic is looking very tired and in need of redecorating, I will be contacting decorating companies to provide quotes for work as although our staff are competent, with our wedding bookings and more up market events, I feel any work of this nature needs to be completed professionally.
