

Animal War Memorial Day Friday 24th February

Meting held Monday 30th January 2023 to discuss arrangements for a Service of Remembrance for the countless animals that have served and died under British military command throughout history.

Attendees:

Andy Walker, Don Jones, Jennifer Archer, Roz Bullimore.

There are no templates to follow, hopefully people will appreciate that we have tried, and we can always make improvements for any future events.

A Service will be held in the church at 10.45am Friday 24th February.

The Service will be live streamed.

There will be no mention of any wreath laying. If people do bring items these can be left next to the Silhouette with the dog in church yard.

There is already an advert in Doorsteppa and we will advertise on websites and social media sites.
